<sup>1</sup>For healthcare professionals only. Each Real Food Blends product is made from 5-8 whole food ingredients. Due to normal nutritional variation in agricultural ingredients, actual nutrient content of our products may differ. The nutrition information presented here for nutrients not on the product label is based on USDA Nutrient Database Standard Reference for the ingredients in the product and is not based on product testing. For individuals dependent on a feeding tube, regular nutritional monitoring is recommended to ensure the diet is adequate and provides all essential nutrients.
