

Cow's Milk Allergy / Multiple Food Protein Intolerance

^a Hypoallergenic formula includes AABF (Amino Acid-Based Formula) and eHF (Extensively Hydrolyzed Formula)

^b Neocate Nutra is a supplemental semi-solid elemental food for 6+ months

^c In settings where the cost of an AABF is lower, the use of an AABF may be equally reasonable.

* DRACMA Guidelines (Fiocchi et al, J Allergy Clin Immunol 2010)
